

Strategic Procurement

The Strategic Procurement division helps new vendors enter distribution by identifying, developing, and managing the vendors needed to complete our customers' solutions. These vendors represent many different verticals and business models and help us drive incremental value for our partners.

Why choose TD SYNEX as your distribution partner?

Suppliers

More than 500 incremental vendors suppliers

Product Categories

- Commercial
- Professional AV
- Networking
- Mobility
- Data Center Solutions
- IoT
- Peripherals and Accessories
- Software
- Manufacturing/industrial
- Public Sector
 - Government, Education, Regulated Industries, Healthcare

Full Distribution Services

- Logistics Management
- Product Fulfillment
- 24x7 Order Processing and Billing
- Technical and Sales Support
- Dedicated PM Team
- Virtual Inventory/EDI
